

Humane Society of Genesee County Workshops

ANIMAL BEHAVIOR / OBEDIENCE ANIMAL CARE / GROOMING

The Humane Society of Genesee County is now offering a **free** workshop to new pet owners *or* for those who are interested in becoming pet owners! This will be a great opportunity to ask questions about your pet, such as:

- What do I do about a puppy that chews?
- Help! My dog has really bad manners!
- How soon can I start obedience training?
- My kitten is scratching the couch. What can I do?
- What supplies will I need for my new pet?
- How do I clip my dog's nails?
- How often should I groom my pet? Can I do it myself?

We understand that getting a new pet is an exciting time, but can also be frustrating. This free service will help you get through the “rough spots” of owning a new pet.

Our workshop schedule is:

Saturday, February 17	11:00-12:00
Saturday, April 14	11:00-12:00
Saturday, June 9	11:00-12:00

All workshops are held in the conference room at the Humane Society of Genesee County. Registration is not required. You may attend one or more sessions. For any questions, please call us at (810) 744-0511. See you there!

Please DO NOT bring your pet- Questions only!
