Why do we have a wish list?

Every dollar the Humane Society has to spend on equipment and supplies is one dollar more that could be spent providing for the animals. By fulfilling the items on our list, you enable us to provide more medical care and more advantages to the animals who need it. Through your donation of goods, services and monetary contributions, you Become an integral part of saving the lives of animals. Please consider helping us by donating the items on our list.

If you have any questions, please contact us at (810)744-0511
